

AI FOR GHANA

THE CREATOR ECONOMY

Turn Your Ghanaian
Creativity Into Income.

@AIForGhana

YOUR GRANDMOTHER'S MARKET WAS HER TOWN. YOURS IS THE PLANET.

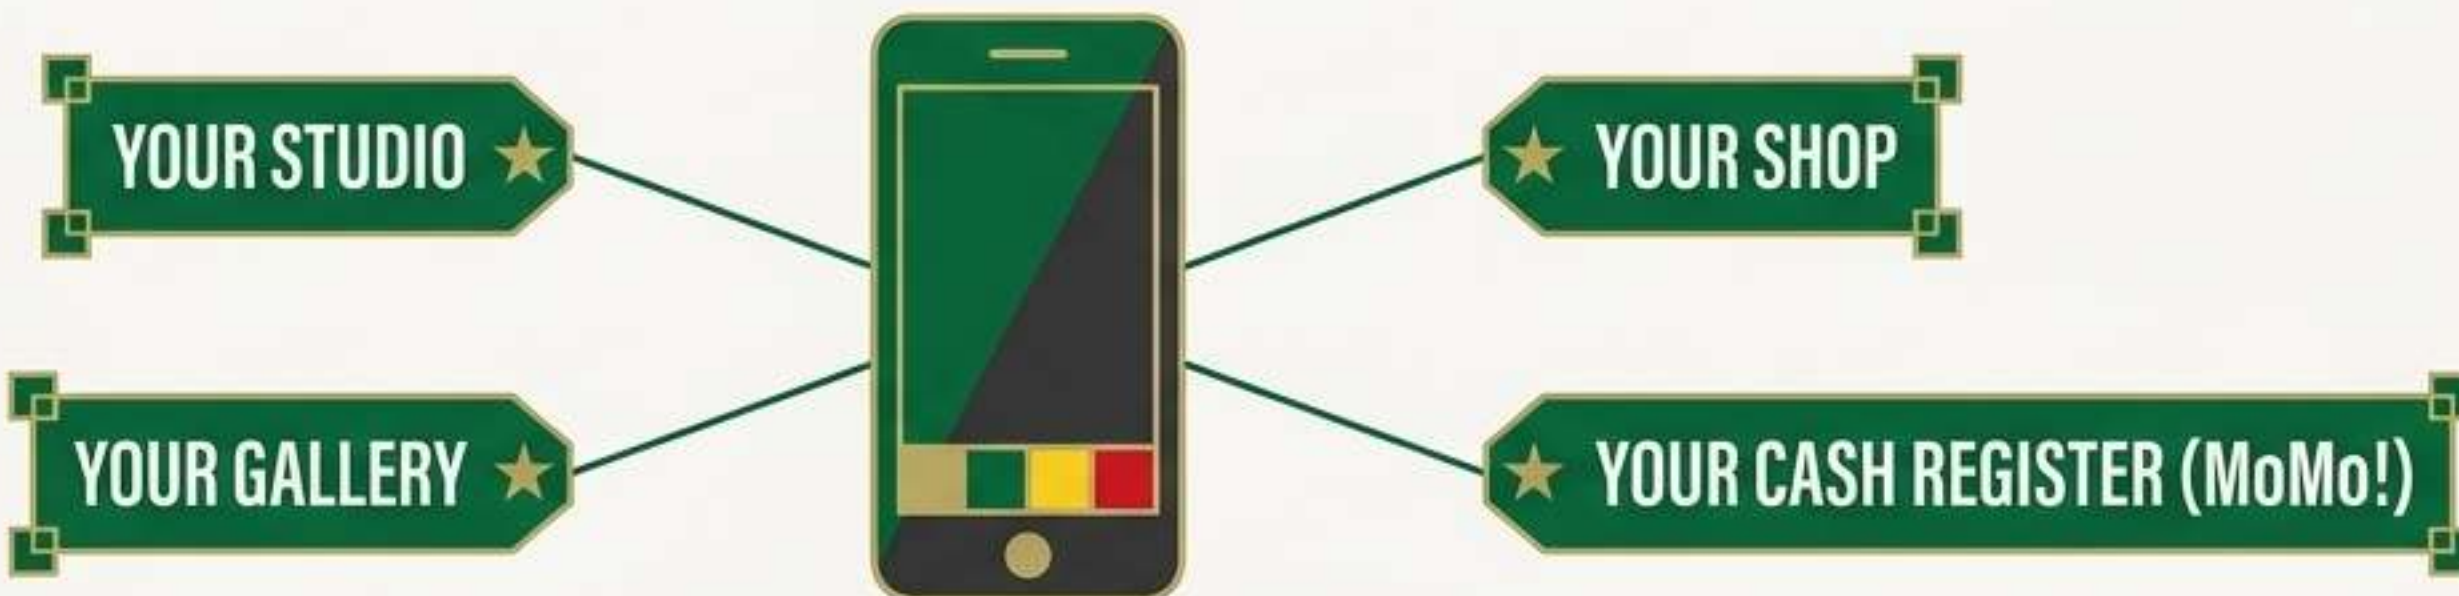

The seamstress before Christmas.

*A beadmaker in Koforidua sells to London on Instagram.
A teenager in Tamale edits videos for a client in Canada.
The creativity is the same. The marketplace has changed.*

The middleman kept the money.

HOW CREATIVES GET PAID

★ SELL THE WORK	Make a thing, sell it	<i>Kente stoles, paintings, beats, dresses</i>
★ SELL THE SERVICE	Paid per job for your skill	<i>Wedding photography, MC-ing, video editing</i>
★ SELL THE LESSON	Teach others your craft	<i>Beadmaking workshops, YouTube tutorials</i>
★ AUDIENCE INCOME	Ads & sponsorships	<i>TikTok creator rewards, brand deals</i>
★ LICENSE THE IDEA	Rent your creation	<i>Your pattern printed by a fabric company</i>

DON'T CHASE FAME FIRST

**Beginners chase virality. Professionals build products to sell,
then let the audience grow from showing the actual work.**

★ *Virality without a product is applause without dinner.* ★

THE CREATOR LADDER

The ladder matters. Skipping stages is how you get cheated or burn out.
Each stage teaches what the next one needs.

$$\begin{aligned} & [\text{MATERIALS: } \text{¢}8] + [\text{TIME (1 hr): } \text{¢}10] \\ & + [\text{SKILL PREMIUM: } \text{¢}7] + \\ & + [\text{PROFIT: } \text{¢}5] \\ & = \text{FINAL PRICE: } \text{¢}30 \end{aligned}$$

(Context: Example for a Beaded Bracelet)

Selling at ¢10 because the buyer complained means you PAID ¢20 to work.

Respect your own labour — it is the first act of a professional.

YOUR TOOLS ARE IN YOUR POCKET

★ CREATE

Phone camera, CapCut, Canva, AI helpers.

★ LEARN

YouTube tutorials. (The free apprenticeship of our age).

★ SELL

WhatsApp Business catalogue, IG, TikTok, Jiji, MoMo.

★ PROTECT

Watermarks, raw files. (Copyright is automatic the moment you make it).

MISCONCEPTIONS HOLDING YOU BACK

MYTH:

Art is for those who failed academics.

I need expensive gear to start.

If it's fun, I shouldn't charge.

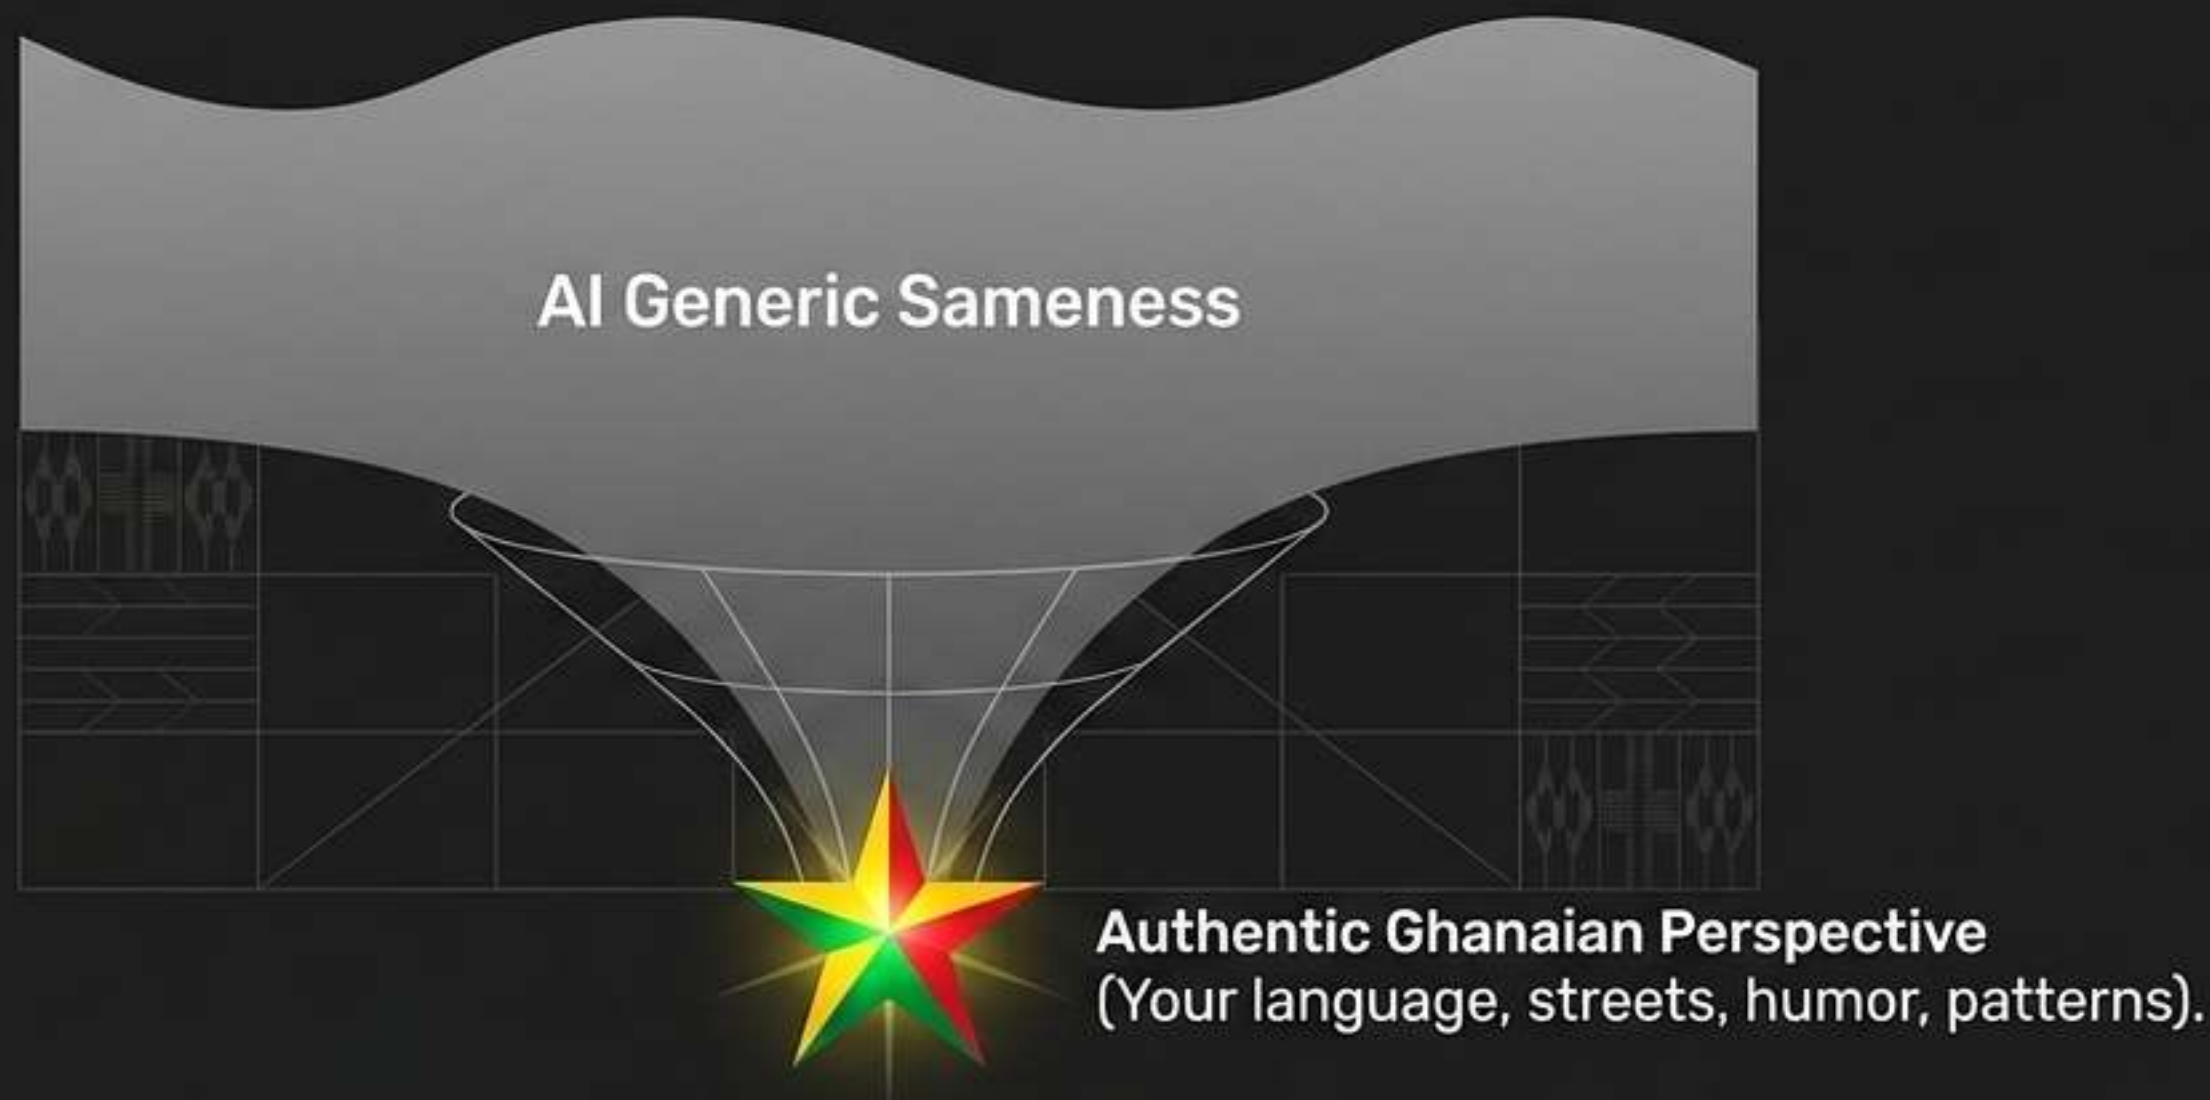

TRUTH:

It is a multi-billion dollar global profession with accountants.

Start with your phone. Upgrade from profits, not debt.

The surgeon enjoys surgery and still bills. Joy is not a reason to starve.

AI & THE GHANAIAIAN VOICE

AI will flood the world with average content.
It cannot flood your specific local context.

The more AI generates sameness, the more your authentic Ghanaian voice is worth. Scarcity commands value.

YOUR NEXT 7 DAYS

- ★ **PICK** ONE skill.
- ★ **MAP** it to ONE of the 5 money roads.
- ★ **PRICE** it using the Creator's Maths.
- ★ **SHOW** it to ONE potential customer.

*One viral video is luck. 100 videos is a body of work.
Algorithms and customers both reward those who show up weekly.*
